RULES

Exhibitors are requested to enter only those classes they expect to fill.

The Secretary will furnish class cards in envelopes marked with number on the outside, which are to be placed with the exhibits, and not opened until after the judging.

Exhibits must be in place by 12:00 noon on the day that they are to be judged.

No flower will be allowed to compete in more than one class, except that a "Novelty" may be entered in a novelty class and one other class.

Exhibitors may make but one entry in each class in competition, but may make other entries for exhibition.

No premium will be awarded unless the exhibit is of merit sufficient to warrant the judges in making the award.

Any exhibit, however small, will receive the attention of the judges, and receive an award on its merit.

Any person having flowers or fruit of merit which they are willing to display are invited to enter them although they are not classified in the schedule, and they will be judged the same as if classified.

Any person having a flower and not knowing the true name, is invited to bring it in, and we will try and have it named.

RULES—Continued

Judging will be by comparison.

Where prizes are offered to the winner of the most points in several classes, a first prize will count two points, a second one point. If there is no competition in a class, the judges will give to the sole entry, first, second or no award, according to its merits.

A collection will be judged upon number and quality of flowers shown. It should be shown so that the judges can readily count the number of varieties shown. The exhibitor may use his own judgment as to how many flowers of a variety to show, how many to show in a vase, how to arrange them and what other foliage or background to use, if any; except as the schedule may definitely specify any of these matters.

Where vases, baskets, bouquets, arrangements, exhibits, or displays are called for, the judges will give a weight of 75% to the flowers shown and 25% to the arrangement or effect.

APPRECIATION

We wish to express our sincere thanks to all those who have so kindly offered prizes in our several shows. It has been a great factor in the success of our undertakings, and is fully appreciated by our members.

For the Society,

EDGAR W. DARLING, Chairman,
L. J. HATHAWAY, JR., Secretary.
